MOBILITY

The initiative is focused on responding to the challenges surrounding the **inclusion of migrant youth** by establishing an interactive platform for dialogue and collaborative problem-solving. Sports and the arts will serve as inclusive and widely accessible tools to achieve these objectives.

The **main goal** is to train youth workers how to navigate the cultural environment by involving both local and migrant youth in shared activities.

OBJECTIVES:

- Initiate meaningful discussions about participants' personal experiences;
- Enhance participants' understanding of European cultures and languages;
- Promote teamwork among individuals from different backgrounds;
- Enhance participants' communication skills;
- Raise awareness of issues that are important to participants.

PREPARATORY VISIT

The core aim of the Preparatory Visit (PV) is to ensure the high-quality preparation and implementation of the Training Course (TC) by actively involving partner organisations and youth workers in the planning process.

During the PV, partners will review and confirm practical arrangements, project management procedures, organisational matters, the dissemination strategy, and Non-Formal Education (NFE) methodologies. The visit will also serve as a space for brainstorming and refining the activity programme.

OBJECTIVES:

- reviewing and refining TC activities and materials;
- finalising participant selection and preparation;
- ensuring participant safety and mentoring, with a focus on participants with fewer opportunities;
- strengthening evaluation and dissemination plans;
- confirming objectives, roles, responsibilities, and task division.
